Notes & Terms

1. Server is virtual dedicated with Linux OS and is located in South Africa. Telephonic support is based during office hours (Mondays to Fridays). Email support is 24/7.
2. Out of bundle rates are measured during billing cycle.
3. All hosting fees is payable strictly via debit order. 1 Month written cancellation is required on company letterhead to cancel hosting – no contracts and no additional fees.

AFTERSHOCK

VISUAL COMMUNICATION PTY LTD

4. Clients will be billed for annual domain renewal (industry standard) whenever the domain is held with Aftershock. This amount will be debited annually.
5. Whilst we do daily backups of all sites, these backups are taken as a contingency in case of a server problems. The onus is at all times on the client to make backups of their sites via FTP and PHPMyAdmin, especially before making any changes. With dynamic websites, clients are strongly urged to take backups of their database before making changes.
6. Please note, all prices are quoted excluding 14% VAT.
7. Aftershock can offer full redundancy services and dedicated servers to corporates if required. Please contact us for a custom quotation.
